

Vita Ferm[®] Sure Start[™]

Weaning/Receiving Products

Sure Start Delivers:

- The unique ability of **Amaferm**[®] to stimulate rumen fungi and bacteria activity, increasing appetite, dry matter consumption and ration digestibility
- The correct level and form of essential trace minerals balanced to drive maximum trace mineral absorption
- Increased levels of fat soluble vitamins, including Vitamin E at 400 IU / hd / day to boost immune response
- Supplemental levels of B-Complex Vitamins to help ensure optimized health and performance during periods of stress and or high productivity
